

BIA and IHS Memorandum of Agreement of 1987

Purpose for MOU

- Establishing CPTs,
- Mandatory reporting and referral procedures,
- Interagency coordination,
- Maximize existing services,
- Minimum standards for federal employees, and,
- Serve as guidelines for tribal contractors.

CPTs are...

- Technical and advisory in nature,
 - Designed to promote cooperation, communication and consistency among agencies,
 - Intended to facilitate the identification of danger signs which will promote immediate intervention and/or prevention actions to be taken.
- 
- 

Mandatory Reporting

- 
- All IHS and Bureau and Tribal contract employees shall report any known instances of child abuse and/or neglect to the designated law enforcement and/or social services staff in their respective communities.

Timeframe for Investigation

- All child abuse and neglect investigations referred to the BIA shall:
 - Be initiated within 24 hours of referral
 - Be jointly referred to the Division of Law Enforcement and the Division of Social Services
- Primary responsibility will be assigned to one of the offices with concurrence of the Superintendent

Timeframe for Investigation

- Within 72 hours of initiating an investigation, the investigating LEO or SSW should review their findings with the other Division and/or the CPT
- 
- 

CPTs

- Should be cooperatively established with BIA and IHS
- Are to be a joint effort, and where feasible, various state/county or tribal programs should be encouraged to participate
- Should be established at both Area and Agency/Service Units

Area CPTs

Each Area CPT should be composed of:

BIA	IHS
Director of Social Services	Director of Social Services
Law Enforcement	Maternal & Child Health Consultant
Judicial Services	Mental Health Consultant
Education	Community Health Nurse
Tribal	Other
Tribal Social Services or Health Programs	State Social Services

IHS/BIA Child Protection Team Handbook-2002
