

# Project Making Medicine

## Training Requirements

To be eligible for Project Making training you must meet the following requirements:

- Be a licensed clinician or a member of the treatment team that includes a licensed clinician. Exceptions will be made for Alaska Native Village providers serving children.

Prerequisites to attend:

- Completion of the TF-CBT we-based training located at <http://tfcbt.musc.edu>. There is a \$35 charge for this online training.

The Registration must include:

- Completed Registration form (can be found at [www.icctc.org](http://www.icctc.org))
- Current CV
- Online training certificate
- Copy of licensure
